Following in the footsteps of Archbishop John Mark Gannon, founder of Cathedral Prep, Bishop Alfred M. Watson is deeply concerned with the education of Erie's youth. The Bishop, once part of the administration of Cathedral Prep, recognizes the responsibility of the Church in education and works for the continued excellence of the school.

For the past twenty-six years, one man has been the guiding force behind Cathedral Prep's greatness. This man, Monsignor Robert B. McDonald, has devoted his time and energy to the molding of future leaders, men inspired by Christian principles. Cathedral Prep has indeed been an influence in the world, its greatness entering all walks of life, ranging from lawyers and scientists to priests and civic administrators. This could not have happened without the leadership that has led Prep to its present glory.

ACTIVITIES

Quarter Sessions

At Prep, three times annually, students are awarded recognition for their academic excellence. These assemblies are held shortly after the end of each quarter. At this time all deserving students receive first or second honor cards and the top-ranking students are introduced to the student body.

Fr. Joseph Radziszewski, guest speaker and pastor of St. Stanislaus Church, comments on Prep leadership.

Monsignor McDonald extends congratulations to all participants in the February Quarter Sessions Program.

Debate

A group of underclassmen represented this year's efforts in debate. While discussing the feasibility of unilateral military intervention by the United States, these junior and sophomore debators kept the Prep tradition of victory in several tournaments in the tri-state area. Late in the year they gained recognition in the state and national tournaments.

Forensics

The forensics program is designed to prepare anyone interested in public speaking with the opportunity to do so by competition with other area students. The competent faculty advisers guide the students in the preparation and presentation of prepared and original material. Individuals who were a part of this program have shown their outstanding ability by the large number of first place awards they have received.

Cheerleaders

Rambler

THE RAMBLER staff as in the past again met its commitment of reporting activities involving Prep and the student body. Hours of hard work enabled **THE RAMBLER** to continue in its former tradition.

Executive editors: R. Hahn, Associate Editor; M. Juniewicz, Executive Editor, C. Fuhrman, Associate Editor.

Standing: M. Ryan, R. Duval, D. Conti; seated: P. Gallagher, J. Carlson (News Editor), W. Weber.

C. Kohlmiller, W. Veihdeffer, D. Birch, T. Bundy (Local Editor), T. Luddy, M. Ryan.

R. Woznicki, D. Meister, G. Young, B. Balke (Sports Editor), J. Milewski, B. Ott, R. Slomski, W. King.

Literulae

This year's yearbook staff updated the **LITERULAE** by adopting several new publication features. Color is introduced this year and the yearbook size has increased to nine by twelve. Senior information is compiled into a senior directory which gives a well-rounded picture of the student for his four-year attendance at Prep. Less copy makes room for a much larger selection of pictures throughout the book.

Format Editor, Mike Roth; Executive Editor, Dan King; Copy Editor, Mike Hoffman.

Executive Editor, Dan King; Faculty Supervisor, Rev. G. M. Daly; Faculty Advisor, Mr. Cyril Wirtner.

Business Manager, Carl Fuhrman; Personnel Editor, Delmar Birch; Activities Editor, John Senchyshyn; Sports Editor, Gregg Straub; Assistant Format Editor, Jim Milewski.

Student Council

Student Council President David Ruef, Secretary Gary Cacchione, Vice-President David Wieczorek, Treasurer Alan O'Neil, Faculty Advisor, Rev. G. M. Daly.

A much greater role in school affairs was accepted by the class representatives this year. For effective functioning the council was divided into committees to handle the various projects they developed. The number of bus trips and activities is certainly a credit to this hard-working group of students.

Band

Once again the Prep band provided a refreshing atmosphere at school assemblies held throughout the year, particularly quarter sessions and the Christmas program. At rallies and football games the spirited 77-man ensemble enhanced traditional Prep enthusiasm. Under Mr. Anthony Savelli's direction, the band completed another successful concert tour of area schools.

It's not supposed to be chopsticks!! Band Director Anthony Savelli gives a Prepster a lesson.

Senior Class Play

"Can I have the night off? It's my father's birthday."

This year's Senior Class Play, **Enter Laughing**, marked a return to the concept of a single, humorous play used in past years. The play by Carl Reiner more than filled the need for humor and many thought it the best production in some years. Sr. Dorinda, Rev. G. M. Daly, and Mr. Muller ably directed with the result that all the participants, notably Lewis Shioleno and John Sidelinger, put forth their best effort.

Variety Show

The 1970 annual musical provided another highly entertaining evening on the Cathedral Prep stage. **MUSIC NOW** presented a wide variety of talent with something for everyone. The one and half hour show presented a potpouri of popular modern combo music; guitar folk singers; accordion, piano, vocal, and dance solos; as well as contemporary music by the thirty-one man stage orchestra. The chorus climaxed the program with their version of the **Battle Hymn of the Republic.**

"That's not after, I hope!"

It's a little bit different from my zither!

And next on Ted Mack . . . .

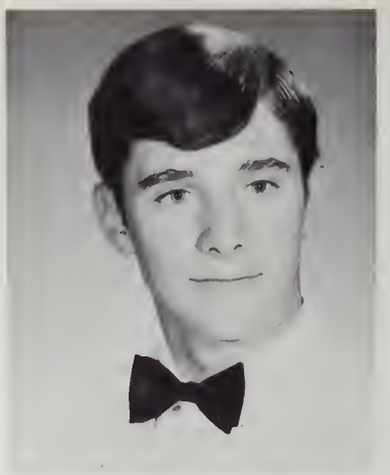
National Merit Finalist



In the National Merit Scholarship Qualifying Test, Daniel James King scored in the top one percent of the nation's high school seniors and was named a finalist. He entered into further competition with other National Merit finalists for the merit scholarships.

National Honor Society

The National Honor Society stands as a symbol of scholastic achievement for students at Cathedral Prep. Members are honor students who have excelled in character, leadership, and service. Special activities included ushering for the parent-teacher conference nights and supervising the annual bookfair and all quarter sessions programs.

Alumni Association

One of the driving forces behind the school, both in spirit and in support, is the Alumni Association. Their time and effort have provided ample funds for many noteworthy projects which have benefited the school. Many thanks must be extended to this spirited organization.

Disciplinary Board

In an attempt to handle school problems more effectively, a new disciplinary board was established under the supervision of Msgr. McDonald. The board was formed to make decisions more equitably than in years past. It is hoped that the board will eliminate disciplinary problems more effectively.

SPORTS

Water Polo

The play of this year's water polo team was characterized by a new "rock'em sock'em" style of offense. Developed around the form of a hook, it produced many exciting games. A rolling defense left many opponents gasping for breath. Although not attaining one of the better records in the school's history, this year's team was one of the most aggressive.

Wrestling

The city champ gets in some practice.

"Surprising" is perhaps the key word to describe this year's wrestling team. Prep's opponents were indeed surprised by the Ramblers' determined effort which netted them the city title. A fine 8-5 record against many powerful foes was indicative of the overall balance of this dedicated team.

Varsity Football

Under Coach Zambroski the varsity football team completed another winning season against strong opponents. In games which they did lose, they were in contention throughout and lost only by small margins. The squad did not feature a single great individual as past teams have, but placed emphasis on tremendous overall teamwork and spirit.

J. V. Football

As seems to be traditional in the city, the junior varsity football team claimed another City Series Trophy. Though the season was marred by one loss, the team was another in a long line of great junior varsity teams. The spirit and cooperation which are marks of Prep teams were evident this year as these boys prepared for their varsity roles next year.

J. V. Reserves

Freshman football, which is relatively new at Prep, prepares students for the junior varsity program in which they will participate as sophomores. The team plays a relatively light schedule, but the team members work as hard as the participants in varsity sports. This program has been successful during its short existence because it helps the freshmen make the transition from grade school to high school ball.

Basketball

This year's varsity basketball team has been called "one of the finest in the history of Prep." The Ramblers smothered the competition in the city with a 7-1 record which gave Prep the local title. In the first year of the existence of the Lake Shore League, Prep tied for the title with a 10-2 record.

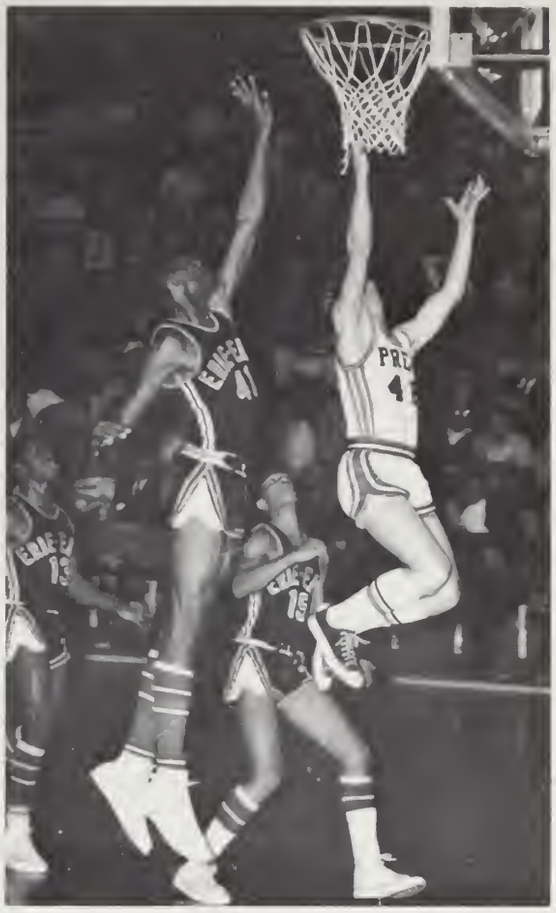
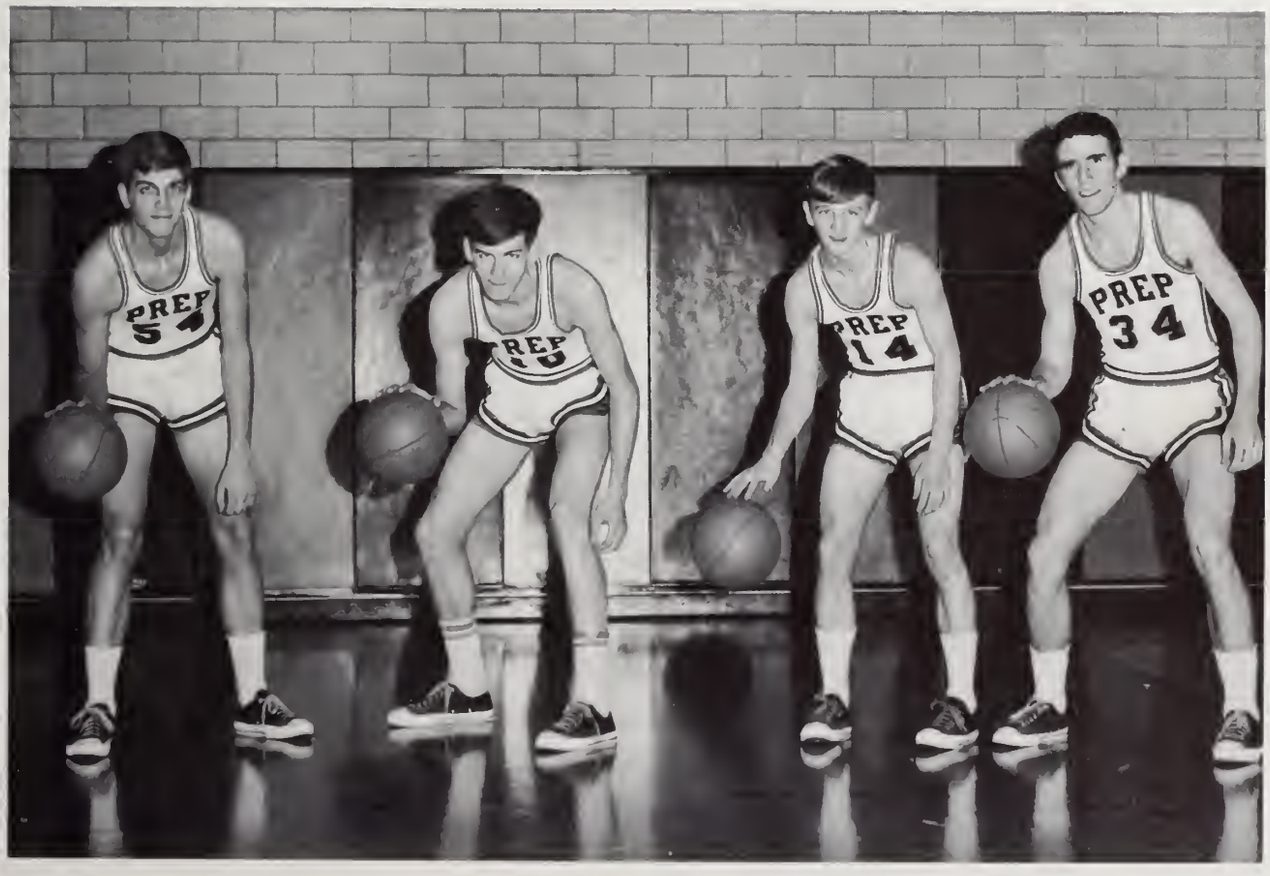
After five years, we came back. City Champs, 1970.

Hansen over Hewitt for a tough bucket.



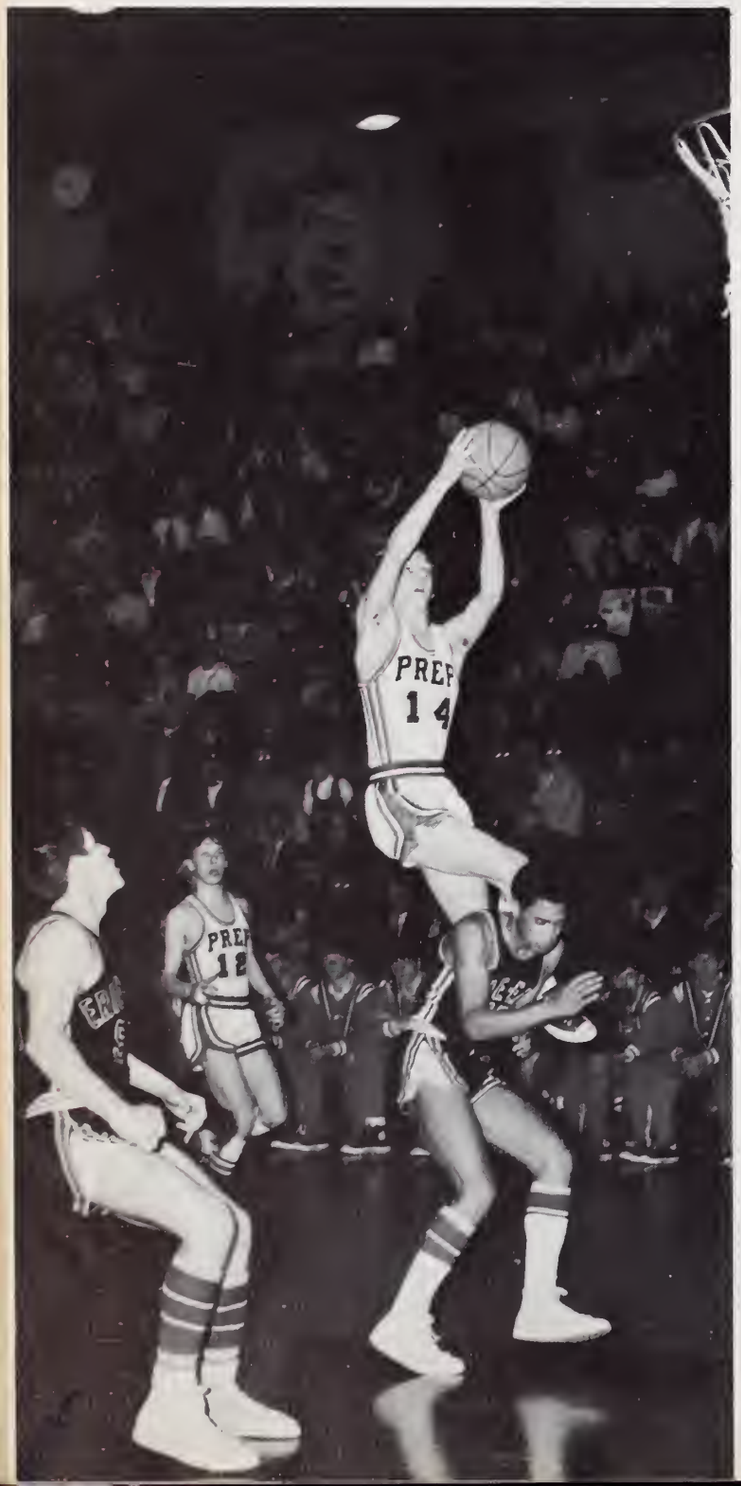
Two for super-sub Ray Massing.



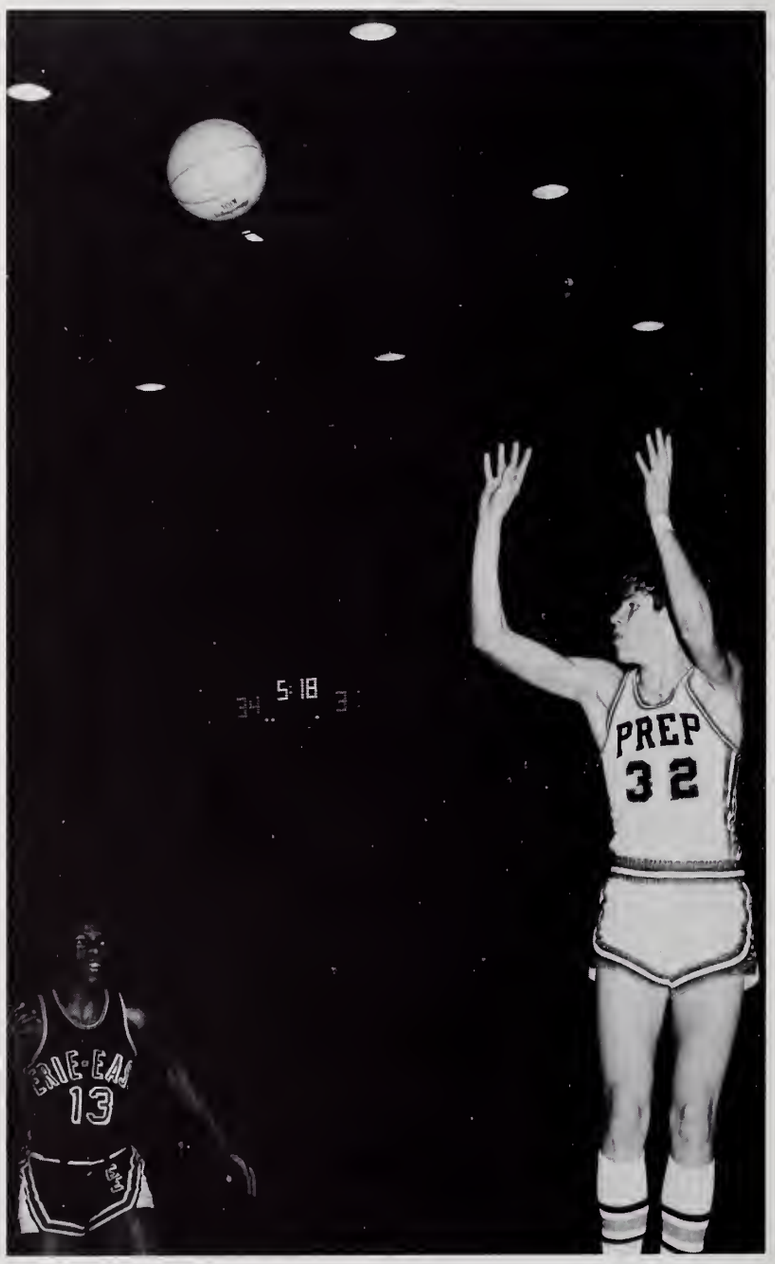
Seniors: Bob Kneib, Brian Flanagan, Dave Wieczorek, and Tom Hansen.

Brian Flanagan drives his way under for two.

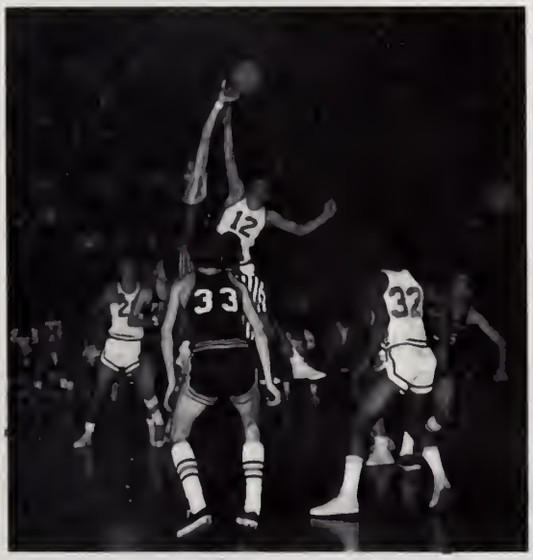
Height is no obstacle to Dave Wieczorek.



A shot from outside by Dan Bukowski pads the Prep lead by two points.



Willis Cardot goes up as East's Eddie Woodard looks on.



Brian Flanagan tips the ball enough to give the Ramblers an edge.

The Ramblers move one point closer to victory as "Wiz" sinks his foul shot.

J. V. Basketball

This year's junior varsity basketball team had another near perfect season, combining speed with an amazing amount of coordination. Other reasons for the team's great success undoubtedly could include the J.V.'s fine spirit and superior teamwork. Coach Flaherty can be proud knowing that he helped mold this fine team into next year's varsity champs.

Freshman Basketball

Our rookie Ramblers proved themselves deserving of recognition on the level of our more tried veterans of the game. Marked by the determination and enthusiasm so typical of a Prep athlete, the players shined both individually and as a team. Undoubtedly, Prep has much to be proud of and little to worry about in the future.

A mass of arms fails to block a tremendous Rambler shot.

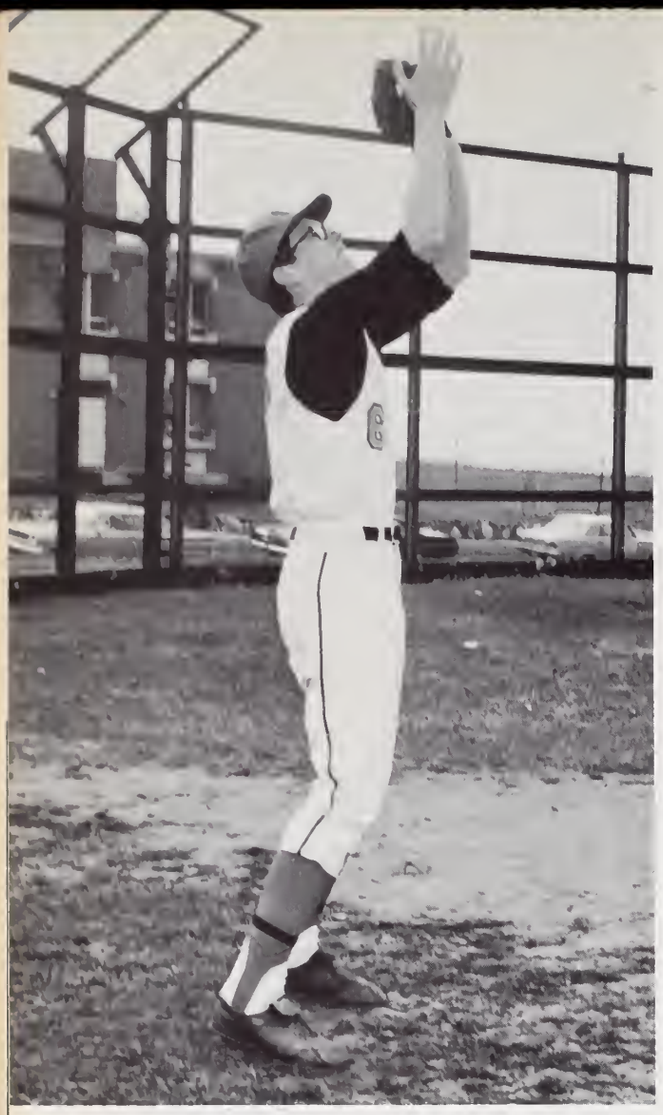
Baseball

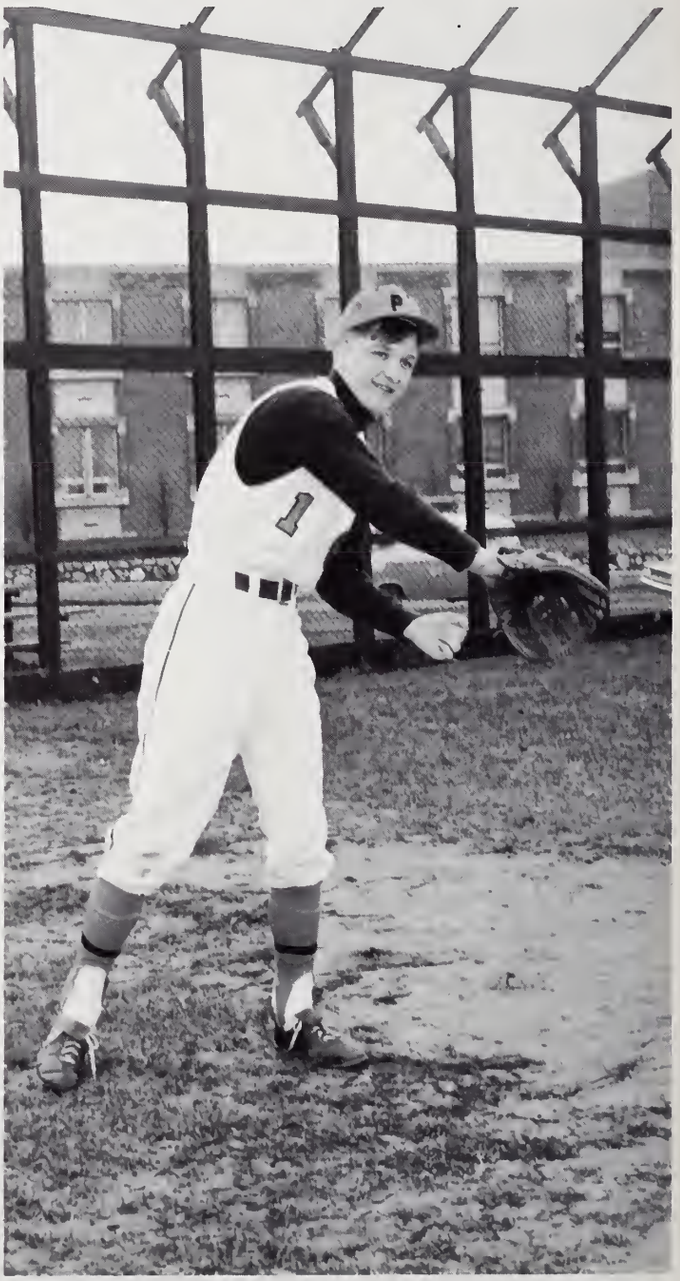
As an answer to last year's loss of the city baseball championship, the varsity baseball team returned with a dauntless esprit de corps. Their success was due largely to a large number of returning lettermen who were eager for another chance at the title. Clearly, this spirit was not wasted.

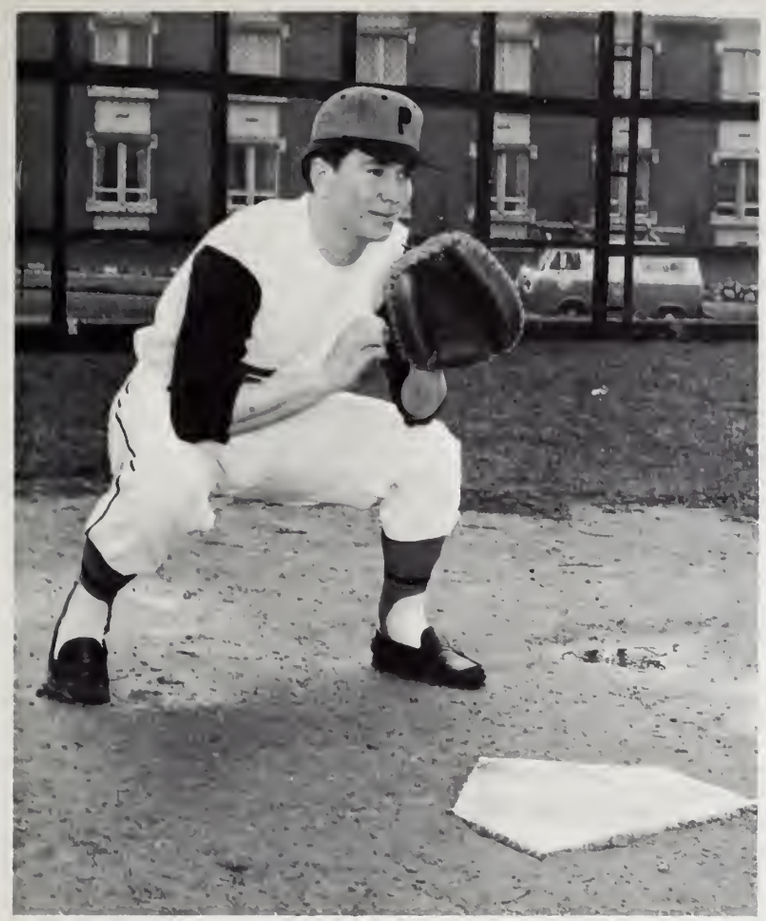


Jim Gates gets set to catch a fly.

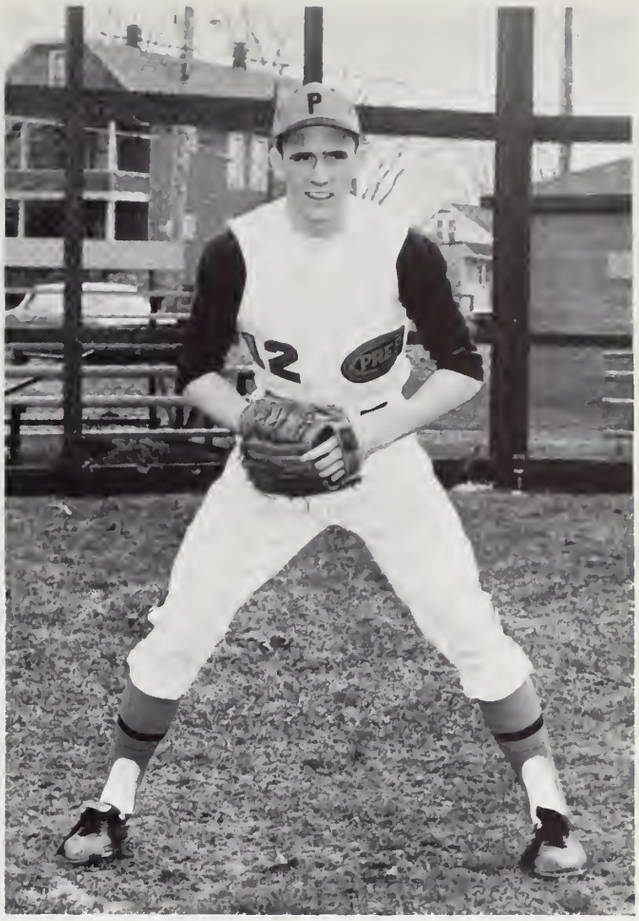
Bill Erb, poised for action.

At Bayview, the Wizard covers his position for the Rambler nine.





Catcher Rick Koehler calls the plays.



Shortstop Tom Hansen practices for the all-important double play.

Tennis

The Prep tennis squad featured four returning lettermen. The success of the hard-working team was due greatly to this core as well as new talent discovered this year. Coupled with this skill was the confidence of the players that victory and a championship were within their reach.

Golf

"City Champions" is a title that has become almost synonomous with the Rambler golf team. This year, the squad once again set their sights on the city crown with the hope of adding five points to the close Trophy of Trophies race. Glenwood Golf Course was the linksters home ground.

John Palkovic winds up to let fly with the discus.

Len Schliecher 'flies' through the air.

Gary Dylewski shows the form he uses in getting ready to pole vault.

John Raydo is stopped in midstride while running the high hurdles.

Cross Country

Riddled by injuries and lacking in depth due to graduation of lettermen, this year's Cross Country Team gained the experience which, when coupled with their enthusiasm and drive, should make them a championship team next year. A long season, beginning with camp in August, and long practice sessions makes the Cross Country Runner a durable man.

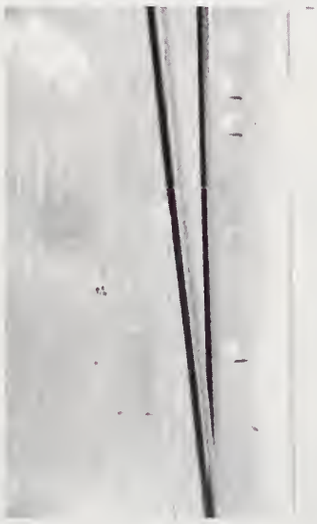
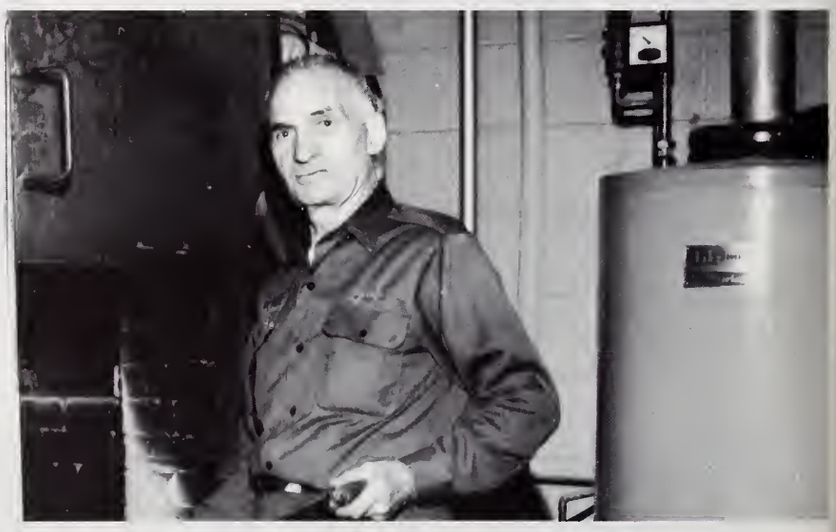
SERVICE





Cafeteria Staff

A varied well-cooked menu, a loyal staff of women, and much "tender loving care" are the ingredients of a nutritious Prep meal. Mrs. Belton's able supervision and her competent crew have endeared them to every Prepster. They have made Prep the home of the best school meals in the city.

"Oh, it's not burnt that bad."

Janitorial Staff

The upkeep of the school this year as in past years owes much to the hardworking team of Joseph Agnello and Norman Lizotte. Backed by an efficient crew of Prep students, Joe and Norm have successfully maintained a very fine physical atmosphere for the learning process.

Hard-working ??? Prepsters of the maintenence crew.

"Roll 'em."

Swab the deck!

Norm can do anything!!!
